

## **WISE ONE LABS, LLC PRIVACY POLICY**

Wise One Labs, LLC (“the Company”) is committed to maintaining robust privacy protections for its users. Our Privacy Policy (“Privacy Policy”) is designed to help you understand how we collect, safeguard, and use the data that you provide to us and to assist you in making informed decisions when using Loremaster (“the Product” or “the App”)

The terms “we”, “us” and “our” refer to the Company.  
“You”, or “the user” refers to you, as a user of our Product.

### **I. INFORMATION WE COLLECT**

- A. The Company only collects information entered by the user into the App. The App does not collect any sensitive information (such as email, address, or anything which could be used to identify an individual user).
- B. The App also does not collect any device information (such as GPS location, or device make and model)
- C. . The App only collects information which is necessary for the App to function properly (such as the details of your book entries). All such information is stored directly on the user's device and can be deleted at any time by the user from the App's settings screen. For detailed instructions on deleting your data, please refer to our [website](#).

### **II. INFORMATION HANDLING**

- A. All information collected by the App is stored on-device, using a common Android software library known as Room. The information stored in Room is not encrypted or hashed beforehand.
- B. None of the information collected is stored on a server or shared with third-parties.

### **III. DATA RETENTION**

- A. Any data collected by Loremaster is retained on-device until the user decides to remove it.

### **IV. LINKS TO OTHER WEBSITES**

- A. The App may include links to or compatibility with other websites or applications. However, we are not responsible for the privacy practices employed by those websites or the information or content that they contain.
- B. The App may contain links to other products, services, and documents provided by the Company as necessary.

- C. The App may contain links to other websites as entered by the user (for example using the App's wishlist feature, where the user may include a link to a book as listed on the website of a third party bookseller so that they may purchase it later)

## **V. CHANGES TO OUR PRIVACY POLICY**

- A. The Company reserves the right to change this policy at any time.
- B. You will be notified of any changes which relate to the App from within the App, by seeing a dialog similar to the one that you accepted upon first launching the App.
- C. You will be notified of any changes which relate to our website by a banner, dialog, or other message when you visit our site.
- D. Significant changes will go into effect 30 days following such a notification. Non-material changes or clarifications will take effect immediately. You should periodically check the App for such updates.

## **VI. CONTACT US**

- A. If you have any questions regarding this Privacy Policy or the practices of this App, please contact us by sending an email to [info@wiseonelabs.com](mailto:info@wiseonelabs.com)
